

C104

LABEL & STICKER REMOVER

An aerosol spray developed for removing labels and residues of labels nice and easy. Thanks to its superficial solving power it removes labels and residues of labels.

FEATURES & BENEFITS

- **Directly penetrates to the surface and quickly removes labels and dissolves label residues.**
- **For removing every kind of stickers, tape residues, markers, crayons, lipstick etc. Can be used easily at different fields.**
- The best to use for cleaning stubborn sticker residues.
- Safe to use on all nonporous surfaces at automotive industry like metal, paint, bumpers, plastic and glass.
- Quick and easy application.
- Has pleasant citrus scent.
- Doesn't contain any CFC propellants. Doesn't damage paintwork or plastics and can be applied to larger areas in minimal time.

APPLICATIONS

- Safe to use on windows, leather, vinyl, fabric, auto body, painted surfaces, tools, plastic, metal, cardboard and wood.

INSTRUCTIONS

- Hold the can above 5-10 cm from the surface and apply by spraying on to the area. Most of the label can be pulled off after approx. 2 minutes. In difficult cases leave for 15 minutes. This allows the remover to penetrate in to the adhesive of the sticker. For removing, use a suitable plastic spatula at a 30 degree angle, start from the top of the sticker, and scrape away the soft adhesive working across and downwards. Reapply if needed. If adhesive is still stuck to the substance, spray remover on a (paper) cloth and wipe off the adhesive residue.

RESTRICTIONS

- After spaying if the surface becomes dull or cloudy, do not use the remover to that surface. Before applying to plastics or varnished surfaces it is essential to carry out a resistance test. The label remover is not suitable for objects made of polystyrene.

Remove labels
and stickers nice
and easy!

STORAGE AND SHELF LIFE

- 24 months if stored properly.

PROPERTIES

Basis	: Citrus Extract
Consistency	: Liquid
Appearance	: Clear to yellow
Specific Gravity	: 0,78 gr/cm ³
Odor	: Mild Citrus
Flash Point	: 24°C
Boiling Point	: N/A
